Jerry Chang
Silicon Turnkey Solutions
General Manager
1804 McCarthy Blvd
Milpitas, CA 95035

Dear Mr. Chang:

Re: Laboratory suitability for Class Q and V assembly/test flow, MIL-STD-883; FSC 5962;
VQC-20-034893; Grammens CN: 071092

Silicon Turnkey Solutions (STS) has demonstrated to the DLA Land and Maritime compliance with MIL-STD-883, the test standard for integrated circuits. This letter supersedes the previous STS Class Q and V assembly/ test laboratory suitability for the facilities, test methods and conditions shown on the enclosure effective as the date of this letter. All testing must be performed in accordance with MIL-PRF-38535 and MIL-STD-883 test methods.

This letter is issued in conjunction with the QML certification letter DLA Land and Maritime- VQC-20-034888.

This Laboratory Suitability is subject to the policies, procedures, and conditions of the Defense Standardization Program, as published in the manual DoD 4120.24-M and SD-6.

This laboratory suitability is valid until terminated by written notice from DLA Land and Maritime. If warranted, it may be withdrawn by DLA Land and Maritime at any time. Each of these facilities is subject to an audit by DLA Land and Maritime with a minimum notice.

If you have any questions, please contact Mr. Grammens, (614) 692-0604.

Sincerely,

ROBERT M. HEBER
Chief
Sourcing and Qualifications Division
